

# Join the RCHP Property Committee!

We meet monthly to review the maintenance and improvement needs of RCHP and South River Reformed Church

Because our churches serve thousands of people per week, maintenance is an essential ministry.

## Ways we serve

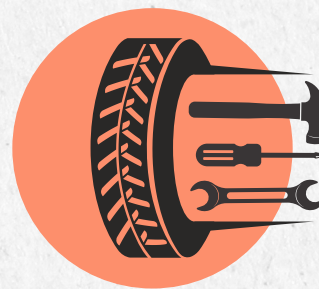

### Outdoor Property Support

We care for our beautiful property in a regular way, through mowing, trimming, weeding, raking, and painting.

### Deep Cleaning Events

We hold occasional 'spring cleaning' style events, where we deep clean the heavily used spaces of our church buildings.

### Automotive Support

We maintain a fleet of vehicles, through our church and nonprofits, including vans, buses, and trucks.
